

MEET A STUDENT from Verdes, TWO GHOSTS, A CREEPY GHOUL ... even
a MAGE. But when a rotubus and blood-thirsty vampire from the
alternative universe also discovers the portal and threatens to
bring terror to the human race, it is left to deck, Saxon and
their recently new friends to find a way to save world from a
life worse than death!

But how ... when the invisibility potion is running out, the
enthusiastic apprentice which spells disaster by turning friends
into mice, zombie stage whispers can do no better than
becoming ballpoint pens and spiders ... and the two snarling
school bullies are gnawing the corridors of Earth?

*Reno Charlton casts a spell that
will leave you breathless from*

An illustration of two characters on a bus. One character is casting a spell, and the other is looking on.
